### **STOW FALLS MINISTRY TRAINING SPOTLIGHTS** –

We have been serving extensively with Stow Falls Baptist Church. Pastor Tim Huth has a desire to strengthen and grow the church's inreach / outreach ministries, and we are helping in any way we can. We are providing training in the form of 20-minute "ministry spotlights" before the preaching on many practical topics. We also train in the field as we team up with church members to *help outreaches link discipleship* (Eph. 4:12).

**THE WHOLE PROCESS** – While my partner and I were out door-knocking two weeks ago, a 33-year-old man trusted Christ. We also knocked on the door of a lady named Pat who was interested in Bible study, though we didn't think she was saved. We left her a John/ Romans, salvation Bible study, and the 8-lesson course on John. We told her that Diana would stop by to follow up with her. Diana and two ladies that she is training for discipleship from NorthCoast Baptist Church went to Pat's home to study with her, and found that she was, indeed, unsaved. They all did the salvation Bible study together, and at the conclusion of the lesson were able to pray with her to accept Christ! They will go back soon to begin working on the Bible Doctrines course with her (II Tim. 2:2).

**A NEW COURSE FOR LADIES!** – We are very excited about our newest Bible study course, The Virtuous Woman I, II, and III. This twelve-lesson course provides a closer look at Proverbs 31. Some of the topics included are: strengthening your marriage, personal organization, kitchen helps, developing hand skills, ministry awareness, dress / appearance, scheduling, speech, initiative, prayer, wisdom, and making spiritual preparation for each day. We trust this Bible study will be a blessing to ladies who want to walk with God!

**ENDURING MINISTRY STRUCTURES II** is another new course that will soon be available on our website. This course covers the following topics: Structuring a Local Church Ministry, Regionalizing Neighborhood Gospel Outreaches, Effective Neighborhood Canvassing, Tips for an Enduring, Joyful Ministry, Biblical One Anothering, and Compelling Reasons for Memorizing Scripture. (We are utilizing these helps and others in our practical training at Stow Falls Baptist Church.) Look for both of these new courses in the next week or two at [www.kjvhearthehelps.com](http://www.kjvhearthehelps.com).

**PRAYER REQUESTS** – Bill Marks is recovering, and awaiting the fitting of an artificial limb, and Davis Miller (Stow Falls Baptist Church) is doing well after his heart attack; both men were a wonderful witness while in the hospital. Corban Butler is making some progress, but prayer for his health is still needed. Corban's grandma, Deanna Butler has received news that her leukemia has spread. She is at home with hospice. Thank you for going to the throne of God on behalf of these dear ones (Heb. 4:16).

**ABUNDANT PRAISE** – The LeSabre we had for nine years has, at 255,000 miles, completely and totally died. We are, however, praising God for His amazing provision! Pastor Paul Rowe (Faith Community Baptist Church) and a family in his church have generously donated a car to us. We were GIVEN the keys to beautiful silver Pontiac Bonneville with only 82,000 miles on it. We are SO thankful to God for this wonderful blessing!! We are asking God to bless this vehicle as He did the last, with many years and many miles in service to Him (Eph. 3:20).

Thank you for your gift of \$\_\_\_\_\_ last month.
